Using Gift Aid means that for every pound you give, the charity you are supporting will receive an extra 28 pence from the Inland Revenue, helping your donation go further. This means that £12 can be turned into £15.36 just so long as donations are made through Gift Aid. Imagine what a difference that could make – and it doesn't cost you a thing. To qualify for Gift Aid, what you pay in income tax or capital gains tax must at least equal the amount the Charity will claim in the tax year.

I would like this donation to be treated as Gift Aid and all donations in the future until I notify you otherwise.

**FACTS:**

- The Film Place is a not-for-profit charitable company, registered as the working name for Buckingham Centre for the Arts and is run by volunteers.
- Each showing at TheFilmPlace costs about £250
- TheFilmPlace needs an average of 60 people per showing to cover these costs
- Since opening in November 2005, TheFilmPlace has learnt that the costs cannot be covered by relying solely on seats sold. We need active community support to retain this facility in Buckingham.

**Thank you for any help you can give.**
